AMERICAN-CANADIAN GENEALOGICAL SOCIETY OF NEW HAMPSHIRE

CHARTER MEETING - SEPTEMBER 28, 1973

The Charter Meeting of the American-Canadian Genealogical Society of New Hampshire was held in the perini Science Building Lecture Hall at St. Anselm's College, Goffstown, New Hampshire on Friday evening of September 28, 1973 with a good first attendance of members. Professor Roger Lawrence and Lucille Lagasse, founders of this Society, presided over this newly gathered group with much enthusiasm and capability.

A one dollar Registration Fee was charged and membership dues were set at \$2.00 a member per year.

Reverend Clarence J. d'Entremont, Acadian Historian and Genealogist, was in attendance as a member. He is the Secretary for the New England Branch of La Societe Historique Acadienne, based at Moncton, New Brunswick, Canada.

A business meeting was held to form the new Society and a discussion began as to how to properly end the title of the Society's name. The following forms were suggested:

The American-Canadian Genealogical Society -- of New Hampshire
-- New Hampshire Chapter
-- of New England
-- or -- as is.

-- "of New Hampshire" won the vote.

The articles of the Charter and by-laws were discussed and decided upon; all decisions were made on a hand vote.

The following officers were voted in:

Professor Roger Lawrence	- President
Lucille Lagasse	- Vice-President
Armand Lagasse	- Treasurer
Henri Chapdelaine	- Corresponding Secretary
Marguerite Bournival	- Recording Secretary

We retired to the biology laboratory where a luncheon was served while we all became acquainted with one another.

Mr. Lou Verrette, a nephew of Monseigneur Verrette writer of many books, said his grandfather had painted the large painting of Saint Cecilia that hangs in the stairway of the Association Canado Americain in Manchester, N.H.

Upon returning to the Lecture Hall, three Directors were chosen as follows: - Paul Munson
- Leo Bisailon
- Lou Verrette

Thus ended our Charter Meeting and with much great hope for future memberships and organization.

Respectfully Submitted,

Lucille Lagasse #32

Maria Jeanette Lagasse

QUARTER MEETING - SEPTEMBER 28, 1953

The Chapter Meeting of the American-Canadian Genetological Society of New Hampshire was held in the period science building lecture hall at St. Anselm's College, Goffstown, New Hampshire on Friday evening of September 28, 1953 with a good first attendance of members. Professor Roger Lawrence and Lucille Lagasse, founders of this Society, presided over this newly formed group with much enthusiasm and cordiality.

A one dollar registration fee was charged and membership dues were set at \$2.00 a member per year.

Professor Lawrence J. B. Brinton, Assistant Professor and Genetologist, was in attendance as a member. He is the secretary for the New England branch of the Society in Canada, based at Montreal, New Brunswick, Canada.

A business meeting was held to form the new Society and a discussion began as to how to properly set the title of the Society's name. The following terms were suggested:

- of New Hampshire
- of New England
- of New Brunswick
- of New Brunswick and New Hampshire
- of New Brunswick and New England
- of New Brunswick and New Hampshire and New England

"of New Hampshire" was the vote. The articles of the Charter and by-laws were discussed and adopted upon all decisions were made on a hand vote.

- The following officers were voted in:
- President - Professor Roger Lawrence
 - Vice-President - Lucille Lagasse
 - Treasurer - Bernard Lagasse
 - Corresponding Secretary - Henri Chabot
 - Recording Secretary - Marguerite Bourin

We retired to the biology laboratory where a luncheon was served while we all became acquainted with one another.

Mr. Lou Verette, a nephew of Monsieur Verette, visited of many books, and his grandfather had painted the large painting of Saint Cecilia that hangs in the stairway of the Association building in Rochester, N.H.

Upon returning to the lecture hall, three directors were chosen as follows: - Paul Munson
- Luc Bissell
- Lou Verette

Thus ended our Chapter Meeting and with much great hope for future membership and organization.
