AACA BUILDING

MANCHESTER, N.H.

A special meeting was called for on May 2, 1987 to discuss two issues.

I Computer/Printer: Many views were changed with new information presented. A show of hands was asked for and 11 were for 1 abstained putting off the vote on the computer compact 286 purchase till the next meeting.

The committee will continue their research and send a note of their finding notifying all board members of changes to be presented and voted on at the next meeting June 9.

Al Hamel, Andy Gingras, Roland Marchand, Anne Marie Bradley, Ky Stratoti, Vi Dusseault, with Al serving as chairman are now members of an active working committee (separate from the purchasers) to investigate who would have access and what the computer will be used for.

II Publication: Viola Dusseault reported that Copy Express was the most reasonable she found to index the Genealogist at \$963. for 200 copies. We would need \$11. to cover cost of this index. Prepublication price is set at \$15. for orders received by Sept. 1st. and \$20. after. By the end of Aug. she should have an idea as to how many copies should be ordered.

Respectfully submitted,

Terry Austin
Recording Secretary

Note: Next meeting will be on ~~TUESDAY~~ JUNE 9 at 6:30
