Hi Everyone,
 The following changes have been added to the web site:

***** SPRING CONFERENCE *****

The Spring Conference announcements have been removed.

***** Holiday Openings *****

The Memorial Day library opening schedule has been added to the Home, "What's New", and "Holiday Openings" pages.

***** IN MEMORIAM *****

An "In Memoriam" page has been added for testing. It can be accessed by clicking on the words "In Memoriam" in the announcement for Anne-Marie Perrault.

I propose that we consider adding such a page as a permanent feature of the web site. To implement the link on the home page, I would add an "In Memoriam" leaf to the large tree image. This link would open the memorial home page, from which memorials for individuals could be accessed by clicking on their names.

To test this implementation, I've created an "In Memoriam" home page containing links to the existing memorials for Anne-Marie, as well as the article on Henri Chapdelaine. I lifted the article for Henri from a recent publication of the journal. You'll see the link to his article when you click on "In Memoriam" in Anne-Marie's announcement.

This sort of memorial home page would enable us to publish online remembrances of our friends in an organized layout which would also be (if I do it right!) easy for our visitors to navigate. Also, we could reduce the number of blurbs on the home page by consolidating memorial links in a single "leaf".

Of course, the permanent implementation of a memorial page is subject (as always) to the approval of the board. Please feel free to check out the beta implementation by clicking on "In Memoriam" in Anne-Marie's announcement and let me know what you think.

I really don't have anything to report this month. Everything seems to be working fine. I have been calling around about the database online, but I have no clear-cut answers yet as to what to do. I met with a gentleman tonight to discuss how to set up the database. I need to find out just how big the database will need to be, then I will have to talk to our ISP. Hopefully will have more info next month on this.

To the Officers, Board members, Chairpersons & Committee

On the NY front

David Bonitatibus was in Manchester for the week end of the work shop.
With all the material that he brought in, I think I am the work shop

A new parish was brought in & files need to be prepared

Possible 20 files, I prefer not to count, was brought in with data entry
done

The NY crew has come alive and are producing like gang buster

Baptism of Sacred Heart Schenectady are well underway and should be the
next completed project to be followed by the burials. That will complete
that parish

Concentration of data entry by both NY & NH is on St Mary Troy NY. NY is
doing extremely well having been blessed with the creme de laie while NH
is struggling doing its best with records that date back to the 1840, are
impossible to read & Rev could never make up his mind how to spell
surnames giving 2 or 3 versions in one record. My answer is throw it to
the ceiling and the name that stick, use it

NH Front

Presently housed at Kinko's are the 8300 baptisms of St Raphael
Manchester NH.

Baring any unexpected glitches, those 2 vol. should be available next
week

This will be followed by very short time span the burials of said parish,
thus completing that endeavor

In 2 weeks, I shall bring out the marriages of St Catherine Manchester
for proof reading

Katherine Pasko has completed her project of copying ALL of St Louis de
Gonzague Nashua. Those are in house and awaiting my breaking up the
registers into files

I am not certain that I told you but St Francois Xavier also of Nashua is
also completed, in house with the files prepared

One cannot fault progress but unfortunately for ACGS Kathie will be

moving to CT shortly where her husband's office has relocated

The beaver that she is, she will attempt to do one more parish in the Nashua area before she departs and is all enthusiastic about acquiring for us parishes in CT. Consequently, we may have a David in CT

VERY SHORTLY, I will give the NH data entry people some time off doing NY and start them on either one of the parishes in Nashua. Which would you all prefer?

The push on acquiring more volunteers has proven fruitful to this department. My theory is if we can find one jewel in 5 attempts we are doing well. I sometimes wonder what is going in other departments as I get no reports from them with the exception of the Editorial. Also, if my memory serves me correctly, this present President prior to being elected had said that ALL, including membership, would have access to these reports by being posted currently on the bulletin board

Speaking of bulletins, has the up and coming new member of ACGS with the surname of Donais arrived yet? If so, congratulation to Mom & Dad

Respectfully submitted

① for President's Report

Hi Bob,

The Memorial Day holiday opening has been added to the blurb on the home page, the "What's New" page, and the "Holiday Openings" page.

I'll send the "official" updates report after I clear up a few other backlogs (changes in publications for sale prices, email directory, etc).

An idea I've been kicking around is the addition of an "In Memoriam" leaf to the tree on the home page. The leaf would provide a link to an "In Memoriam" home page with links to Anne-Marie's memorials, as well as any others we may want to add in the future. With the addition of this leaf to the tree, I would then remove Anne-Marie's announcement from the home page and feature it on the Memorials page.

I think this is something we should do, both for Anne-Marie's sake and the memory of other folks in the Society who have passed away. At the very least we could post the memorial articles published in the journal.

I have new OCR software which allegedly makes it easier to digitize scanned images <g>. This weekend I plan to experiment with a "Memorials" page and post it in the test pages just to see how it works.

If you and the folks on the board would like to see this sort of page on the site, let me know. In the meantime, you can view the test pages by clicking on the left or right "small tree" image in our homepage banner and follow the links on the test page.

Take care,

Ron Niquette

Subj: President's Report

There are several things that are on the agenda for our next meeting:

1. The vote on the Father Begin chapter's decision to do on their own is due. *C. Dennis*
2. The lottery drawing during our Workshop Weekend was not held, therefore we will draw the winners at the meeting. *PRIZES? OK*
3. Several members were asking if we would "purchase & reserve" a table for the annual St Jean-Baptiste soirée dinner? A 10-seat commitment? *info" by Belton 20-25 band (see note)*
4. Constance Hébert was expecting some "Express Mail" to be delivered to the library for the Research Dept. Since there is no mail slot for the mailman, nothing was delivered. Can a slot be provided? *NO*
5. Ron Niquette has proposed a "Memorial Leaf" page (see his Web Site Updates, dtd 5 May) for inclusion on our Web Site. I think it's a good proposal & should be implemented. *yes!*
6. A few BoD meetings ago, we decided to increase our dues. That required several updates. One, in particular, our Brochure, has been revised and is ready to go to press showing these dues increases, among other things. *MARYANNA PARQUETTE GREAT JOB*
7. Two committees are about to get underway, the one for our Fall Conference & the Nominating committee for the Sep elections. Anyone interested in serving, notify me soon. *+ ELEVATOR FUND*

That's all for now. Thank you,

Bob Neveux, #4604
ACGS President
